Description:

Summary

Hair Scissors are specially designed types of Scissors that are utilized to trim and style hair. Along with a barber, most hair stylists will utilize these Scissors in conjunction with electronic hair clippers in order to create a superior hair style for customers. Usually composed of heavy duty metals, good quality hair Scissors remain sharp even after regular use and will last for a number of years. Steel is one of the materials of choice for the highest quality sets of hair Scissors. The tempered steel is sometimes enhanced with the addition of high grade silver in order to maintain the sharp edges of the blades. In the typical hair salon or barber shop, hair professionals are likely to use several different sizes of Scissors in order to sculpt the hair to the desired style.
